A diagram of a rectangular box on a base. The base is a thick black horizontal bar. Below the base, there are two circles labeled 'B' on the left and 'A' on the right. A horizontal dimension line with arrows at both ends is positioned below the base, spanning the distance between the vertical lines of the base. The dimension line is labeled '3280'. The box is a tan-colored rectangle with a black outline. In the top-left corner of the box, there are two small circles, each containing the letter 'O'. The top edge of the box is slightly tilted upwards from left to right.

Technical drawing of a wall section (Fig. 1.10). The wall is 3280 units high and has a sloped top surface. The top edge is at +2.85, and the bottom edge is at +2.08. The wall is supported by a foundation at ±0.00. The wall is divided into two sections, A and B, with a width of 3280 units.
